The Court finds that notices provided by the Clerk (or some other person as directed by the Court) are currently sent via electronic transmission to attorneys registered as CM/ECF users and in a redundant paper mode through the Bankruptcy Noticing Center (BNC).

NOW, THEREFORE, IT IS HEREBY ORDERED that, as contemplated by Federal Rule of Bankruptcy Procedure 9036, instead of paper notice by mail, the Clerk (or some other person as directed by the Court) shall send notices to attorneys registered as CM/ECF users via electronic transmission, except for the "*Notice of Bankruptcy Case, Meeting of Creditors & Deadlines*" which will continue to be sent in paper through the BNC. This order shall take effect as soon as practicable.
